Fuel (        gallons @        lbs/gallon):		
Pilot:		
Copilot:		
Other Crew/Passengers (identify on back if more than one):		
Baggage / Payload:		
Total Weight at Takeoff:		

**Part III – observer (or pilot) information**

Name:			
Title:			
Address:			
Phone Number:		E-mail:	
<p>I certify that I am the pilot or the individual officially designated by the National Aeronautic Association as the Official Observer and that the information above accurately shows the weight of the aircraft, and the FAI weight classification, at the time of takeoff. If the aircraft has been weighed, I personally observed the weighing and certify that at takeoff the same fuel, crew, baggage, and payload was on board. I understand that NAA and the Federation Aeronautique Internationale will be relying on this statement in connection with an attempt to set an official aviation record that may be recognized on an international basis.</p>
